March Madness: A consecrated effort to serve....

We've spent the last few weeks being challenged through our Sunday sermons to live a generous life, that ultimately turns people toward the giver of all our good gifts, God. We've looked at how we are going to be rich with our finances, our words, and our actions.

In March we are going to have the opportunity to put those sermons into action. Sunday, March 4th begins our month of March Madness. March Madness is going to be all about us going outside these walls and being rich in the lives of those around us. We will have so many chances to show that generosity in tangible ways. This will be our time to invest in things that really matter, people's lives!

Please consider how you can serve during March Madness. How can you give back to God who has given you so much? Many of our congregation serve in multiple ways already. If you would like to find a way to serve that excites you. Contact the office OR see the Sign-Up Board on campus for opportunities. Sign up and serve! It's that simple! Let's go make a difference in this community!
