Back to Church...

When you were younger, did you ever do the hand motions and say the rhyme, "Here is the church. Here is the steeple. Open the doors and see all the people..." while wiggling your fingers to symbolize a church full of people? (Try It!!)

The reality is our church is not as full as we would like - We want to share the Good News with everyone! Back to Church Sunday is coming up. Typically observed the third Sunday in September it is an opportunity to 'reset'. During the fall families are more able to get back into a routine - people are looking for normalcy in their schedules. This is a good time for us to focus on outreach. Yes, to welcome back our known church attenders, but more specifically to invite those people that don't regularly attend church. Research shows that one of the biggest reasons people don't attend church is because no one ever invited them. Let that sink in. No one ever invited them. So..... let's invite them! Let's share the good news!
