

Jamestown Christian Church

OCTOBER 2021

AS we enter October I would like to share a few thoughts about our 'Family Meal' each Wednesday evening prior to Bible Study. I think you will agree it is a special time in the life of our church family. There is just something about sharing a good meal while spending time with each other. Family means having someone to love you as Christ does, in spite of your shortcomings. Family is loving and supporting one another. However, family isn't always about being connected biologically, although many of us are! Family is a group of people who choose to love and care for each other. Thank you for loving each other so well. In closing, I leave you with this thought. Look around – there is someone out there needing a 'family'. Invite them in! There is always room for more at the 'family table' of JCC.
