NOVEMBER 2022

LIVING A LIFE FILLED WITH THANKFULNESS begins with...

Each person must seek this answer for themselves. It has been said being thankful is a feeling and being grateful is an action.

Throughout the year, but, particularly during this month where it is tradition to be thankful we want to encourage you to take time to think of all the things in your life to be grateful for and to share your blessings with others.

As the cooler weather of fall seems to draw us closer together in worship and fellowship let us be reminded of things to be thankful for this month at JCC.

Sundays are for worship! So much goes into preparation for our weekly services. Think about those that prepare and serve communion, the greeters and parking lot attendants that make you feel welcome when you arrive. The praise and worship teams that have practiced and are prepared to lead you in worship. Bucky as he has been in prayer and meditation during the week to prepare a sermon that can speak to each of us. **ALL** the volunteers that it takes each week to teach the little children downstairs about Jesus! All those working with the youth in The Levee. Maybe, most importantly: your church family that is sitting in

the row beside you, behind you, in front of you – all over the sanctuary as we worship. **These are your people!** Let them know you love/appreciate them.

Mid-week we have worship opportunities at noon and in the evening. Come be a part of it!

Weekly there are a variety of other meetings and events that you can be a part of! We encourage you to renew your commitment to living a life of thankfulness for all that God has done and is doing in your life.

Truly living a life of thankfulness is a wonderful feeling. Living a life of gratitude by putting that feeling into action may be even better!
